

## **Allan Perkins Art Education**

### **Graduate Scholarships**

Allan Perkins will always be remembered as a dedicated friend to the Kentucky Art Education Association. He was instrumental in developing our original website and making it a valuable resource for educators all over the country. In the countless long hours that he volunteered, his smiling face was always there to greet art educators as he welcomed members to each year's fall conference.

Through offering two Allan Perkins Art Education Scholarships, the KyAEA honors Allan and his family's continued involvement in our organization and their commitment to and belief in the vital role that art education can play in all lives. May his gentle and generous spirit continue to help others.

If you would like to also contribute to the scholarship fund, you can purchase items at the conference silent auction or make a donation.
